The wording of the questions is exactly as stated by the Royal Embassy of Saudi Arabia in London.

Compulsory Medical Insurance from a Saudi Arabia approved insurer is now required for each traveller. This is irrespective of any other travel insurance the traveller may have, even if it includes medical cover. The insurance companies offering cover and the cost of their respective insurance premiums vary according to actuarial principles dependent on the classification type of visa, length of stay and age of each applicant etc.

At the time this Medical Insurance was introduced the following insurance companies offered cover:

Tawuniya Cooperative Insurance Company	at a representative cost of £70.00
AXA Cooperative Insurance Company	at a representative cost of £90.00
Saudi United Cooperative Insurance (WALA'A)	at a representative cost of £45.00

N.B. Unless you advise us otherwise Visa World will always select the cheapest medical insurance quote offered.
